

Collecting from your customers

K2 Supplies can collect the empty cartridges direct from your customers providing they have 15 or more commercially valued cartridges i.e. ones that are listed on our current price list. Please find below a list of K2 requirements to make this operation work.

- We would need your customer's contact details including a contact name for our courier to ask for.
- The correct number of parcels/pallets for our courier to collect and the specific location of the cartridges for collection and if there are any security requirements.
- Our collection reference (POR) which is issued before the collection should be clearly marked on all parcels/pallets.
- The goods must be ready on the day of collection (the cost of any failed attempts to collect the consignment on the agreed date will be deducted from our payment to you).
- Should there be any major problems collecting from your customers a member of our team will notify you immediately.
- A full statement or monthly report will be issued listing all the empties that we received from your customers.
- K2 are accredited with ISO 14001 and ISO 19001. We also hold a Waste Carrier and Broker's Licence and Waste Management Licence.

K2 Supplies has been purchasing empty cartridges for over 14 years and has developed a premium class service that you can depend on.

From us you can expect....

good ethics, good service, good prices, good humour. We enjoy business!
